LOG IN ←

[Forgot your password?](#)

If your login fails, or you can't remember your password, you can request your password be reset.

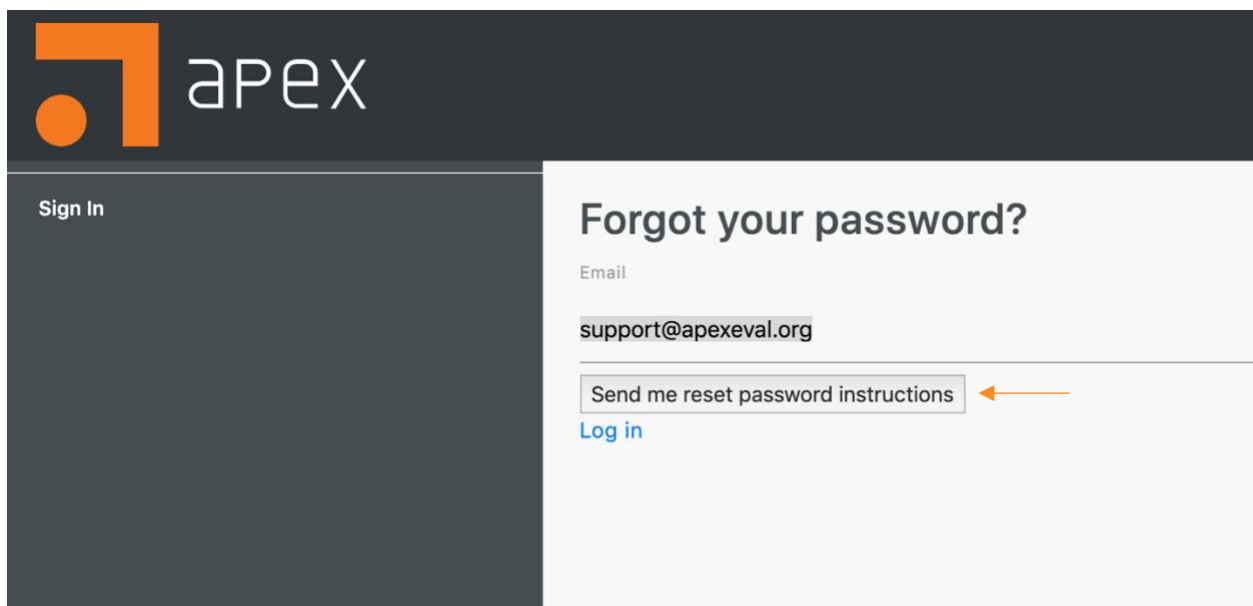

Password Reset

From the main page click on the “Forgot your password?” link under the “LOG IN” button:

The screenshot shows the Apex login interface. At the top left is the Apex logo, consisting of an orange stylized 'A' and the word 'aPEX' in white. Below the logo is a dark grey sidebar with the text 'Sign In'. The main content area is light grey and titled 'Log in'. It contains two input fields: 'Email' with the value 'support@apexeval.org' and 'Password' with masked characters. Below the password field is a checkbox labeled 'Remember me'. A 'LOG IN' button is positioned below the checkbox. Underneath the button is a blue link 'Forgot your password?' with an orange arrow pointing to it from the right.

On the next page enter your email, and then click on the “Send me reset password instructions” button:

The screenshot shows the Apex 'Forgot your password?' page. At the top left is the Apex logo. Below it is a dark grey sidebar with the text 'Sign In'. The main content area is light grey and titled 'Forgot your password?'. It contains an 'Email' input field with the value 'support@apexeval.org'. Below the email field is a button labeled 'Send me reset password instructions' with an orange arrow pointing to it from the right. Below the button is a blue link 'Log in'.

You will get an email with steps on resetting your password.
